## RESEARCH DEVELOPMENT CELL

The aim of RESEARCH DEVELOPMENT Cell (RDC) at Siddhartha Degree College(SDC) is to develop and strengthen RESEARCH Skills to the students who are interested in their own research projects new publications and seminars. The college identifies the novel ideas and provides infrastructure and technical support to the students to transform into the new products and services for the betterment of the society.

The RDC provides all the support like planning, mentoring and time related execution support to all the aspirants for their start up ideas to convert it into real projects. Various seminars and workshop are organized to groom them by SDC RESEARCH DEVELOPMENT cell. We encourage students to choose self-employment as their career option, by providing all the necessary training and support.

## RESEARCH DEVELOPMENT CELL STANDARD OPERATING PROCEDURE FOR AY 2024-25

The Research Development Cell in Siddartha Degree College is initiated to promote Research Development Culture among the students by organizing Research Development awareness programs, guest lectures by successful scholars, "face to face" student to Research programs, awareness camps, startup programs.

### **Objective:**

The objective of promoting Research Development among the youth is to nurture a passion for self-development. The primary objective of the RDC is to organize Research awareness programs for students in order to bring awareness about Research. The RDC in college conducts a number of Skill development training programs that can lead to self/wage development. It takes initiatives to conduct research work and surveys for identifying Research opportunities. It encourages innovative student projects for innovative product development. It organizes E-Weekend Programs to stimulate the students to come up with new ideas that can grow up to startups. It arranges guest lectures by successful Research scholars and provides a platform for interaction between professional scholars and students. It arranges visits to industries for prospective scholars.

### **Scope:**

The Scope of the RDC is to generate awareness in students by organizing Research awareness programs. Boot camps, industrial visits seminars and panel discussions. The main aim of the RDC is to develop Research capability in students by organizing workshops and seminars on business communications (Email Writing, CV Making, applying for a job), presentation skills (How to present), Idea Generation for Startups, and Technological developments. The RDC in college invites eminent resource persons like personality development trainers to develop the attitude of the students with their motivational and expert talk.
